REQUEST

WE WOULD LOVE TO HAVE SOME ARTICLES FROM THE RESIDENTS. PLEASE SUBMIT YOUR STORIES TO DOREEN BARRETT THROUGH EMAIL AND WE WILL PRINT THEM FOR YOU. THANKS A LOT.

This past month we received a magazine from our Health Insurance suggesting ways to become a "Happier, Healthier You!" As I was leafing through the pages, I realized we have the "ways" right here in TW. So here are a few of their ideas to improve our lifestyle.

1.Move More. An active body is a healthier body and we offer many ways to stay active and get moving right here. During season, chair exercise meets twice a week, and fast walking is four days a week for 20 minutes and 1 day for 30 minutes. Chair yoga is held on one day too. The pool is always open for laps and water aerobics. Our exercise room has pieces of equipment that will yield benefits. The YMCA is close as are many health clubs.

2.Learn Something New. There are art groups and many craft opportunities including ceramics which might be new to you. Each evening and some afternoons, there are card games to join. Line dancing is a fun way to enjoy music as well as involve your mind. Mah Jongg, a Chinese tile game like Gin

Rummy, is played twice a week in the card room. Our library is stocked with books, magazines, videos, CD's, puzzles, and TW scrapbooks. Elsie Quirk Public Library is about a mile away on Dearborn Street. Starting in the fall, we offer a computer class that includes six lessons from a reputable local instructor. Not only will you sharpen your skills, you may also learn from your friends and neighbors.

3.Be More Positive.

Connect with an old friend, or make a new one....come to Saturday Morning Coffee. While there, you will find out what is going on in TW for the weeks ahead. One suggestion was to watch a funny video and laugh out loud. In fact, Saturday Coffee has a time for jokes, so hopefully you will

have a laugh or two! Practice acts of kindness by doing things for others. Our Adopt-A-Family is a good place to start. Each of the activities that are offered in TW is run by a volunteer, so maybe there is an activity needing YOUR help.

Whether you find yourself "up north" or right here in TW, here's to a Happier, Healthier You!

TW ACTIVITIES AND ANNOUNCEMENTS

DETAILS

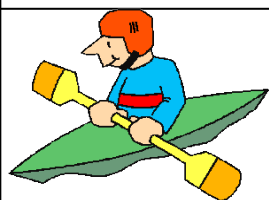

Doreen Barrett

This season has certainly been a whirlwind. From the many social activities like the Tiki Friday, the Chorus Concert, the dances, the block parties, to the daily scheduled activities like Mah Jongg, Hand and Foot, Bridge, exercise classes, woodcarving, ceramics, to the fabulous warm winter with lots of pool visitors, to the new TW Sunshine Band who performed like rock stars, we had a blast. Lots of new people have moved in, and we welcome them to try everything we have. Many residents have moved away as well, and we wish them the best in their new surroundings. During the summer, we will have a June/July issue and an August/September issue of the Topics. Remember, everyone can read the Topics at www.tangerinewoods.com and easily download it to your computer. To those of you who leave for the summer, be safe and stay healthy. To the year-round residents, I will see you out and about and hope you all have a wonderful summer.

ACTIVITY CANCELLATIONS

At the latest TWERC meeting, it was decided that Saturday morning coffee will not be held during the month of July and August this year. Also, there will be no Bingo during the months of June, July and August.

TW KAYAKING

Bert Noyes

TW Kayaking has completed a fruitful season, exploring the waters of Curry Creek, the South Lido Kayak Trail, Oscar Scherer State Park (South Creek), Midnight Pass, the Myakka River, Snake Island, and Don Pedro Island. Ten residents took advantage of the Safety and Instruction Class. The paddling was smooth and the company was outstanding, as over one hundred kayakers shared experiences and dinner afterwards. Thank you to all who participated. You were great!

Bernie Bellner

This year's cornhole season was relatively typical. Forty teams in four leagues started the year, but only 36 teams finishes. This year's league champions were:

League A-Bud Wind and Ron Pettit
League B-Nancy and Denny Blaser
League C-Mary and Dan Tulik
League D-Sandy and Bob Coakley

The league tournament winners that played in the final four tournament at Flounder's on March 16 were: **Bud Wind and Ron Pettit, Doreen Anderson and Milt Evans, Dave Regiec and John Pitts, and Sandy and Bob Coakley.** The tournament champions were **Bud Wind and Ron Pettit**

If you want to play cornhole next year, sign up on the sheets in the card room. We will play on Thursday and Friday mornings and early afternoon. Play begins on January 11 and finishes with the tournament on Thursday, March 15. The end of the year banquet will be combined with shuffleboard and bocce which is scheduled for Thursday, March 22.

CERAMICS

Pat Gottshall reports that the Ceramics Room will be open for the summer. Shirley Spangenberg will be opening it for those who would like to work on pieces. However, there will be no pouring or firing until October.

TW ACTIVITIES AND ANNOUNCEMENTS

BUILDINGS AND GROUNDS

Buildings and Grounds is entering the 2017 season with enthusiasm and a sense of anticipation. 2016-2017 saw the design and completion of a beautiful and functional patio area between the Clubhouse lanai and the pool. It is rewarding to see that it has already been used by so many of our residents, especially during Tiki Fridays. The planter area in front of the Clubhouse was removed and that area, the front entry sidewalk, the mail room floor, and the bicycle area were recoated and sealed. The new finish is attractive and enhances the entryway to the Clubhouse. Several additional projects have been completed or are scheduled. Posts have been installed on the island at the gate entrance to TW to help prevent the destruction of plants and curbing by drivers turning to exit before getting to the front gates. Unhealthy trees along TW Blvd. were removed and replaced, and landscaping at the front entrance has been upgraded and maintained. Refinishing the Great Hall and stage floor has been approved by the Board of Directors and will be completed this summer. Also, the Bocce court has been approved to be resurfaced. The TW Board of Directors has also directed the Buildings and Grounds Committee to provide information on the process, design, and cost of erecting a storage building in the RV lot which would replace the existing units which are deteriorating and in need of major repair or replacement. A subcommittee of Buildings and Grounds has been formed to move forward with this project. We will keep you updated as we proceed.

LIFE LESSONS FROM MAH JONGG

Carole Pearlman & Rae Culotta

Mah Jongg has taught me that as in Life, decisiveness is key. One must be able to spot a direction early on and have the leap of faith courage to fearlessly commit to it, letting tempting paths go. One must let seemingly good tiles go to commit to the best potential outcome. But even then, there have been times where a chosen path hits a dead end. Chance fails to favor it. Then as in life, you do not panic, but go back to the card (that shows the various hands), dig deep and find a new path, knowing that even though your chances of winning have been greatly reduced, you don't lose hope, you don't give up, you fight to the end.

TW TENNIS

Carmen Lowden

Another year of TW Tennis has come and gone. We won a few and we lost a few, but we played some great tennis and had a lot of fun doing it. We finished our year with our Annual End of the Year Tournament. **This year's finalists for the Men's Singles competition were Lloyd Harris and Pete Weatherhead with Lloyd Harris winning a two-hour in the heat battle. The Women's Doubles followed with Lois Dees and Cathy O'Neill playing against Barb Weatherhead and Toni Johnson. Great play by both teams with the winners being Lois Dees and Cathy O'Neill. The Men's Doubles match was rescheduled to Saturday, April 8 because of the heat. That match was played by Karl Spandau and Bob Summers against Pete Weatherhead and Lee Dees. Pete and Lee won the match in a ten point tiebreaker.** It was a great day followed by cake and ice cream. (Tennis people know how to celebrate!)

This year's special award winners were:

Most improved women's player-Barb Weatherhead

Most improved men's player-Pete Weatherhead

Best Fan Ever-Mary Weatherhead

No matter the weather, we could always find Mary sitting in her golf cart watching her TW tennis friends. We are so lucky to have her as part of our tennis family. By the way, none of us will ever make the professional ranks, so if you are looking for a fun, challenging way to spend your days and get some exercise, consider TW tennis. If you would like more information about our group, contact Lois Dees or Bruce Healy.

MESSAGE FROM TERRY SWARTZ, OUR MANAGER

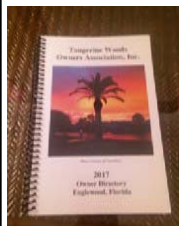

The One Call Now system can deliver messages by phone, SMS text and/or email. Each resident can have up to six phone numbers and five email addresses assigned to them. This will allow for messages to be sent to home phones, work phone, cell phones, etc.

We now are able to better communicate with residents while reducing the need to print and distribute notices. We will be able to send urgent messages such as weather, evacuations, watch advisories, or Amber alerts.

Your personal information will not be shared with anyone. This information is never sold or shared and you will not receive unsolicited calls because of it. In addition, there is an opt-out feature that you may use if you do not want this service. Please contact the office if you have other questions about One Call Now.

COMMUNITY REMINDERS

1. The new directories have been distributed. If you find a mistake in the directory, please fill out the attached form with the corrected information because we are striving to get the directory correct. The Editor will be taking corrections directly from your correction sheets to try to eliminate the errors.

2. When entering the restroom after using the pool, please towel dry first. The floors in the restroom become very slippery when wet, and we are trying to avoid any accidents from happening.

3. The season is now winding down and many of our Northerners are going to return home. Please make sure before you leave TW that you stop by the Management Office to sign out and leave your contact information form for this year. Each year, it must be resubmitted in order to ensure we have the correct information on file.

OUR BULLETIN BOARDS

LeeAnn Magner

There are many topics that we have reported on over the years, but our various and sundry bulletin boards have not been one of them. There are places to post information about almost any subject that might be of interest to our residents. These bulletin boards are located both inside and outside of the community building and each one has guidelines that should be followed. The ones on either side of the entrance are reserved for posters announcing the upcoming social activities scheduled by TWERC. These include any activity where tickets might be on sale such as dances, performances, special planned events, especially those that might involve the use of the entire clubhouse or large groups. The two small boards in the mailroom area are to be used by residents for the purpose of listing items and services. The size of the postings for sale is limited to 3 X 5 cards and should be dated because 30 days is the time allotted. Additionally, vendors who advertise in the Topics may place business cards here. No outside postings are allowed and will be removed if placed on any bulletin board. The boards just inside the entry include places for get well wishes for sick residents, announcements of bereavement, and thank you notes from residents and former residents. Sign-up sheets for Saturday coffee and volunteers for lockup duties, homes for sale or rental and special announcements have space allotted as well. Sign-up lists for many sports and games also have a large area in the card room. The two boards immediately to the left of the entry to the mailroom are for the use of the office, Board of Directors, and the TWERC Board. The three boards left of these are for additional TWERC activities. The Tennis Group has boards outside the tennis courts which are used for information about their activities such as schedules. In fact, I volunteered to chair this one person committee awhile back, so if you need a poster or have a question, you can call me at 223-5159.

WHAT DOES A HOLE-IN-ONE HAVE TO DO WITH A BLOCK PARTY?

Ann Landry

The far end of TW Boulevard and Briar Glen Court. held its block party at the clubhouse in early April. The chatter was fun, and the food was delicious. Our hostess, Diane Laderoute, asked us to tell something about ourselves. Carol Vining made a hole-in-one on Saturday, April 2, on the 11th hole at Oyster Creek Golf Course. Heather Ashline said she has made one, plus her husband Karl has made a left-handed hole-in-one, and has a goal to succeed with his right hand! We also found out one of us has published a book, one man spoke of doing mission work in Haiti, and another gentleman wouldn't make a comment because he said he was in the

witness protection program! We heard so many tales about how and why we wound up in TW, and how we appreciate our good neighbors and friends here. Block parties are a good testament to our way of life here in TW!

WHY DO YOU LIKE FLORIDA SUMMERS?

Ann Landry (from a poll of year-rounders)

The Traffic.

The shark fishing is good.

Grabbing a cup of coffee, and going shelling at the beach.

Going to the pool with hardly anyone there.

No waiting for a parking space at Stump Pass.

Going to the beach in the late afternoon when the waters in the Gulf are as warm as a bathtub.

The peace and quiet.

Not having to navigate your way around the parked cars in TW's walking and/or bike lanes.

Going from 37th to 7th on the list for a book at the library.

Not having to wait in line at the pharmacy or the grocery store or your favorite restaurant.

Seeing Englewood become a sleepy Florida town again.

The hot weather.

Tampa Bay Rays Baseball-and beautiful Kevin Kiermaier.

Unconditional Mom

By Joanna Fuchs

Mom, you're everything a mom should be;
Your love shines bright in everything I see.
You're parent, friend, supporter, all for me.
You give your sweet love unconditionally.
You always do what's best for me, I know;
You mentored me to help me learn and grow.
Your kindness, caring, nurturing always show;
That's why I love, respect and admire you so.
There aren't enough words to say what I should say,
So now I'll wish you Happy Mother's Day!

Editor's Note: Many of us no longer have our moms but if we did, this would be a perfect sentiment.
